ENOCH AMISSAH

PRODUCT DESIGNER

I'm Enoch, a UI/UX product designer and graphic designer, dedicated to creating designs that evoke joy and depth, leaving a positive mark on lives and influencing the future direction.

be.net/enochamissah

ENOCH AMISSAH

PRODUCT DESIGNER

Creative graphic designer with 5+ years honing expertise across print, digital, and emerging media to deliver cohesive brand experiences. Technically proficient in Adobe Creative Suite. Known for balancing innovation with strategic messaging and practical constraints. Seeking role leveraging user-centered design philosophy and cross-functional collaboration abilities to craft resonate brand narratives and effective end-user experiences. Eager to expand contributions as a thoughtful visual communicator and strategic problem-solver.

Revealing The 2 Projects

Now, since we've reached this point... we want to show you the 2 off-plan villas that are the most trendy these days.

HG Consult

LOGO CONCEPT

There is only one version of the logo. It can be repliccated in both positive and negative sides. The relative size and position of the logo must not be altered.

HG Consults

Taking out the first two letters H & G from the name of the company HG CONSULTS to create a symbol to represent the company.
